The Institute for Christian Spirituality nurtures the personal discipleship of Christ followers by cultivating a deeper awareness and participation in the Holy Spirit's redemptive activity among us, within us, and through us in the world.

Our Mission

Awakening. Envisioning. Renewing. Transforming.
Deepening. Kindling the embers of the soul. I
am excited about the promise of the Institute for
Christian Spirituality.

— Neika Stephens (Member of the Board of Trustees
at Lipscomb University)

In our fast-paced world, we tend to neglect our
need for reflection. The devastating result is we
do not learn. The contemplative disciplines are
an indispensable part of our spiritual growth.
Contemplative Scripture reading allows God's Spirit
to transform us. Contemplative prayer forces us to
listen for God's voice. Contemplative examination
of the day forces us to confront our non-Christian
behaviors. I have found these disciplines difficult,
deeply necessary, and unquestionably Biblical. "Be
still and know that I am God." That teaching alone
will change our lives.

— Earl Lavender (Executive Director of ICS)

My journey in the spiritual disciplines has yielded
some new rhythms that shape me on a daily basis.
Seeking daily silence has helped me to be more
attentive to God's voice as well as to the voices of
my neighbors. When I silently spend time in His
presence, I find I can be more present in all of my
relationships. ICS is an exciting venture into these
meaningful spiritual practices. I trust it will be a
blessing to the Kingdom.

— Frank Guertin (Associate Director of ICS)
